CitiBike: The New Way to Experience NYC

Citi Bike is the nation's largest bike share program, with 25,000 bikes and over 1,500 stations across Manhattan, Brooklyn, Queens, the Bronx, Jersey City and Hoboken.

The following pages outline the story of New York City’s Citi Bike service in August 2019.

Click through the pages, by pressing the grey “caption” buttons, at the top of the page to see colorful and informative charts that depict:

- Trip Duration

- Rider use by gender, age, and time of day

- Bikes that get the most use and likely need repair

Men still dominate the bike paths.

Trends in Citi Bike Use by Gender

- Same general conclusions as seen in "Trips by Hour of the Day"
- Men are the dominant users of Citi Bike
- Even amongst men, less use before 6 am and during the middle of the day on weekdays.
